

ECO INITIATIVES

As the leading green studio facility, the MBS Media Campus has an ongoing commitment to sustainability and eco-friendly practices. We continue to promote green living and reduce our overall environmental footprint.

- Hybrid-carpool parking spaces.
- Café and craft services: composting station, recycled packaging and utensils
- Recycling program for construction materials
- Studio store green section
- Green cleaning program and auto detailing with eco-friendly products
- Onsite bikeshare program
- FSC-certified papers used in marketing materials
- Electric golf carts
- Zero-VOC paints used on lot
- Low flow water fixtures and electric hand dryers
- Onsite battery recycling program
- 100% reclaimed water for studio greenery and landscaping
